

Daniel R.D. Johnson	3801 Brooklyn Ave NE Apt M301 Seattle, WA 98105	(907) 942-2347 danieldrdj01@gmail.com						
Summary	<p>I graduated high school in 2017 and interned with NASA Ames Research Center during that summer. I completed two years at the University of Alaska Anchorage, and I am currently continuing my education at Seattle Central. I started working with QFC as a deli clerk while acquiring Washington residential status and obtained the Deli Assistant Manager position in less than six months. After maintaining my role as a Deli Assistant for over a year, I moved on and became an instructor for Coding with Kids.</p>							
Skills and Abilities	<p><i>Computer & Programming Skills</i></p> <ul style="list-style-type: none"> • Participated in an internship with NASA Ames Research Center and helped create websites using HTML, CSS, Python and JavaScript code. • This website is no longer maintained, but the link below details the project and has links to a video demonstration and broken website. • http://aworldbridge.com/real-time-projects/nasa-europa-challenge/nasa-europa-challenge-helsi-2/ • Courses taken on JAVA, C++, Python, and introductory SQL. • Course taken on Computer Concepts in Business <p><i>Communication & Teamwork Skills</i></p> <ul style="list-style-type: none"> • Experienced with daily communication using in-person and remote methods (face-to-face, Skype, Basecamp, calling, messaging, etc....). • Course taken in Technical Communication. • Teamwork skills built working with others in school, professional settings, and workplaces (College, NASA, Hotels, Delis, Teaching). <p><i>Problem Solving</i></p> <ul style="list-style-type: none"> • Incremental problem-solving skills developed through programming courses and work experience. • Experience helping customers and coworkers with problems of varying difficult. <p><i>Leadership/Teaching</i></p> <ul style="list-style-type: none"> • Experience leading school projects amongst assigned teammates. • Experience tutoring fellow classmates with difficult assignments. • Continually managed, taught, and built teamwork within my Deli. <ul style="list-style-type: none"> ○ Lead trainer for new hires. • Instructor teaching kids how to code.
